

Farhad Mahdipour

I have lived in three different countries, and moved to Auckland with my wife and two children in 2016. My son is currently attending Albany Junior High School and enjoys being involved in many exciting learning activities within the school.

I am currently a Principal Academic and a Head of Department in a tertiary institution, working in the area of Information Technology. I believe my experience in the education environment, including educational leadership, strategic thinking, and teaching, can help me effectively serve on the school board.

My aim is to contribute to exploring and adopting new opportunities and learning experiences at Albany Junior High School.

I enjoy outdoor activities with my family and playing sports like badminton, basketball, volleyball and kayaking. I am appreciative of the opportunity to be part of the school board.
