

**Lisa Lumsden - (Staff Representative)**

I am a passionate, enthusiastic teacher who loves being in the classroom and learning with my students.

I have been at AJHS as a Y7 Homeroom teacher since 2014, and have enjoyed observing and cultivating the learning journeys of many wonderful students as they grow and excel through the years at our school.

As a Y7 Maths teacher, I am passionate about making maths learning fun and accessible, and I strive to assist and support the Student Leaders in our school as a Leader Mentor.
