Albany Junior High School – School Profile

Albany Junior High School is a Year 7–10 school, in Appleby Road, located off the Albany Highway (26).

The school opened in 2005 with 220 Year 7 students. The school has grown by a year level each year and now caters for students from Year 7 – 10 inclusively. We currently have approximately 1110 students. The school caters for students within its zone – a copy of which is on the school website at www.ajhs.school.nz. A limited number of ‘out of zone’ students are also accepted, subject to roll numbers.

The main contributing schools are Coatesville, Greenhithe, Upper Harbour, Ridgeview and Albany Primary Schools.

It is the intent of the Ministry of Education, Board of Trustees and the Principal that Albany Junior High school be a school that is a model for education in the future. We see the school as a mix of models from the Primary and Secondary sectors, based on sound Pedagogy with a strong curriculum focus for all students.

Students, particularly in the junior school (Year 7 & 8) are taught in ‘home rooms’ but will have some subjects taught by specialist teachers. This evolves through to full specialist teaching in the senior years – Years 9 & 10.

There is a Senior High School in the Albany area for our graduating Year 10 students to move into.

We believe teaching at Albany Junior High is an exciting opportunity to make a real difference in NZ education and to the experience our children will have at school.
