

Understanding Curriculum Levels

The following graph shows the expectations that each year group should be achieving in relation to the New Zealand Curriculum.

The gradual shading at each level recognises that learning is a personal journey and students make progress at different rates; within any year group there will be students achieving at different levels.

Each curriculum level is divided into 3 sections to identify where students are achieving in relation to the curriculum.

Basic – Achieving at beginning of level

Proficient - Achieving in the middle of level

Advanced- Achieving at end of level
